Bowl for Kids' Sake is a fun and easy way to positively impact a child's life. Just follow the simple steps below:

Make a POSITIVE

and LASTING IMPACT

Big Brothers Big Sisters is not your typical organization. We help children realize their potential and build their futures. We nurture children and strengthen communities. And we couldn't do any of it without you.

We believe that inherent in every child is the ability to succeed and thrive in life. Most children served by Big Brothers Big Sisters live in single-parent and low-income families, or households where a parent is incarcerated. As the nation's largest donor and volunteer supported mentoring network, Big Brothers Big Sisters makes meaningful, monitored matches between adult volunteers ("Bigs") and children ("Littles").

Headquartered in Philadelphia with a network of nearly 400 agencies across the country, Big Brothers Big Sisters serves a quarter million children annually. Providing a system of ongoing evaluation and support, Big Brothers Big Sisters is proven by independent studies to help families by improving the odds that Littles will:

- perform better in school,
- avoid violence and illegal activities,
- and have stronger relationships with their parents and others.
